TCL

P series UP120

4K ULTRA HD

Sizes Available

43” | 50” | 55”

Key Features:
4K Ultra HD
4K Creative Pro Upscaling Engine
Personalized Home Screen

Stunning Picture. **Endless** Entertainment.

The 4K TCL Roku TV delivers stunning Ultra HD with four times the resolution of Full HD for enhanced clarity and detail, as well as the most streaming channels of any 4K TV. In addition, all of your favorite HD shows, movies, and sporting events are upscaled to near Ultra HD resolution with the 4K Creative Pro upscaling engine. The personalized home screen allows seamless access to over 300,000 streaming movies and TV episodes, your cable box, blu-ray player, gaming console, and other devices without flipping through inputs or complicated menus.

The 4K Spotlight channel makes it easy to find available 4K content across popular streaming channels. With a super simple remote and both a dual-band WiFi connection and Ethernet port, it is fast and easy to access your favorite content. Connect all of your favorite devices with the 4 HDMI inputs or cast content from your smartphone or tablet with the free mobile app. With Ultra HD resolution and over 3,000 streaming channels featuring the best selection of music, sports, news, and more, the 4K TCL Roku TV is your easiest way to endless entertainment.
