

TCL

S-SERIES

2.1 Channel Sound Bar with
Wireless Subwoofer

CHANNELS: **2.1**

MODEL: S4210

Home Theater, Made Simple.

Upgrade your home theater setup with our TCL 2.1 channel S-Series sound bar and wireless subwoofer. Enjoy your favorite entertainment with crisp, clear sound and deep, rich bass making movies and music truly come to life. DTS® Virtual:x™ delivers enhanced immersion with virtualized three-dimensional sound transforming any movie, show, or song into a multidimensional experience. Stream all your favorite music and podcasts from apps like Pandora, Spotify, YouTube Music, and more, wirelessly from your smartphone, tablet, or laptop with Bluetooth® wireless technology.

It's Roku TV Ready and designed to work seamlessly with your TCL Roku TV, so you'll enjoy smooth setup, easy access to sound settings, and compatibility with your TCL Roku TV remote. The sound bar's sleek, compact design fits seamlessly into any room, while the wireless subwoofer adds depth and power to your audio without the need for cables. The all-new TCL S-Series Sound Bar is Home Theater, Made Simple.

Product Highlights

Dolby Audio

Studio-level tuning as the artist intended with Dolby audio technology.

DTS® Virtual:x™ 3D Surround Sound

Adds dimension to what you hear with virtual 3D sound that envelopes you.

Wireless Music Streaming with Bluetooth®

Stream all your favorite music and podcasts wirelessly from your Bluetooth® device.

TCL

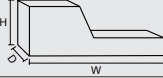

With a lineup of award-winning televisions, audio products, mobile devices, and appliances, TCL delivers meaningful experiences through thoughtful design and the latest technology, helping you enjoy more of the things you love.
